"Doing sports outside is better than doing sports inside". I agree with this statement. Statement.

Why am I think to like this? Well, there so many reasons... let's began! 29

Firstly, when ever more healthy when you are doing sports outside in case you can breath fresh air and relax because you are can provide this time with your friends. 30

Secondly, you can go ~~wherever~~ wherever you want to go in case it is not your home with four borders. It is big place with any things in here. etc.

Thirdly, you can get inspire to see like other peoples training. etc.

Fourthly The next reason: can be to meet new friends outside who's prefer doing sports outside as you. etc.

What about me Personally, I prefer running outside when in summer time in case it's enjoyable and more cheaper than making it in home. etc.

Well, sometimes doing sports inside your home is better if you are beginner or don't have axe time for providing it in outside. etc.

But more effectively when you are making a team for training together.

That's all.

Dear Abigail,

Hello? What's up? Why you are miss for one and a half month? If this not a secret, sure I'm hope you are okay. I'm worried! But, okay.

So, we with my mom have moved on city, not very far away from my village. Sure, this is not moving on other country, but it difficult too. But, honestly, I prefer cities than small and silent villages, and that's why I'm in general glad to moving.

I'm now learning at new school. It's really good, but a few loudly, than old school. My classmates are very friendly, and I'm think it's lucky. They are very funny and interesting people, but I'm miss my best friends. This is very sad.

It's all
